**Note: The administrative rules pertaining to eligibility criteria for fishing licences are complex. Policy advice pertaining to specific licence(s) or licence packages can only be provided by officials of the Department of Fisheries and Oceans.**

Following assessment of your request you will be provided written notification indicating what, if any, documents are required to determine your eligibility for Independent Core Status. Every effort will be made to process the “transfer” request 30 days after all required documents are received.

If approved, the licence transfer must be completed at a DFO licensing service center, where both parties will be required to personally sign the licence transfer form.
